## INDEPENDENT AUDITORS' REPORT

-----

To the Plan Administrator of the  
Consolidated Stores Corporation Savings Plan:

We have audited the accompanying statements of net assets available for benefits of the CONSOLIDATED STORES CORPORATION SAVINGS PLAN (the Plan) as of December 31, 1994 and 1993, and the related statement of changes in net assets available for benefits for the year ended December 31, 1994. These financial statements are the responsibility of the Plan Administrator. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 1994 and 1993 and the changes in net assets available for the benefits for the year ended December 31, 1994, in conformity with generally accepted accounting principles. Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules of (1) assets held for investment as of December 31, 1994, and (2) reportable transactions in excess of five percent of the current value of Plan assets for the year ended December 31, 1994, are presented for the purpose of additional analysis and are not a required part of the basic financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Income Security Act of 1974. These schedules are the responsibility of the Plan's administrator. Such schedules have been subjected to the auditing procedures applied in our audit of the basic 1994 financial statements and, in our opinion, are fairly stated in all material respects when considered in relation to the basic financial statements taken as a whole.

CONSOLIDATED STORES CORPORATION SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS

PLAN DESCRIPTION

On December 31, 1994, there were 9,664 employees eligible to participate in the Plan. On that date 3,224 were participating.

The following brief description of the Consolidated Stores Corporation Savings Plan ("Plan") provides only general information. Participants should refer to the Plan document for more complete information.

The purposes of the Plan are to encourage employee savings, to facilitate employee ownership of the Common Stock of Consolidated Stores Corporation, and to provide benefits during the employee's participation in the Plan and upon retirement, death, disability or termination of employment.

The administrator of the Plan is Consolidated Stores Corporation Savings Plan Committee ("Committee"). Effective January 15, 1993, State Street Bank and Trust Company was appointed as successor trustee to Merrill Lynch Trust Company. (see TRUST AGREEMENT).

All employees of Consolidated Stores Corporation and any of its subsidiaries ("Company") which have adopted the Plan are eligible to participate. Participants must have attained age twenty-one and have completed one year of service prior to eligibility. Eligible employees may begin participation on the January 1, April 1, July 1, or October 1 ("Participation Date") coinciding with or next following the date they have met the age and service requirements described above. For any plan year, participants may contribute to the Plan any whole dollar amount not less than 1% of their compensation for such plan year but not more than the lesser of \$7,000 (or such larger amount in accordance with Code Section 415(d) which is \$9,240 as of January 1, 1994) or 15% of their compensation for the plan year. The Company made matching contributions to the Plan on behalf of participants in an amount equal to 100% of the first 1%, 75% of the second 1%, and 50% of the next 4%, of the employee's first 6% contribution. The Company's matching contributions will always be made in the form of Common Stock of the Company.

Participants may elect to allocate their elective contribution to any of the Investment Funds (See INVESTMENT PROGRAMS) in increments of 25%. Additionally, this allocation may be revised or investment balances may be transferred by the participant upon notifying participant services by telephone.

Each participant shall be fully vested in the Company's matching contributions allocable to their account in the event of retirement or other termination of employment on or after his or her 65th birthday, on account of disability, as defined, or by reason of death.

CONSOLIDATED STORES CORPORATION SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
(Continued)

PLAN DESCRIPTION -- CONTINUED

A participant whose employment terminates under circumstances other than those described in the preceding paragraph will be vested in a portion of the Company's matching contribution based on years of service as follows:

Years of Service	Vested Percentage
Less than 2	--
At least 2 but less than 3	25
At least 3 but less than 4	50
At least 4 but less than 5	75
5 or more	100

The portion of the Company's matching contribution that is not fully vested will be forfeited at the time employment terminates. The Company has the right to terminate or amend the Plan at any time. In the event of termination, the Plan assets will be distributed to the participants, after payment of any expenses properly chargeable thereto, in proportion to their respective account balances.

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to the Loan and Short Term Investment fund from the Participant investment funds. One loan per participant may be outstanding at any time and the loan term may not exceed 5 years. Loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1% (rounded to the next 1/4%) as quoted in THE WALL STREET JOURNAL when the loan application is approved. Loan repayments, including interest, are through regular payroll deductions. Loan balance may be paid off at any time without penalty.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**BASIS OF ACCOUNTING.** The financial statements of the Plan are prepared on the accrual basis of accounting.

**INVESTMENTS.** Investments are reflected in the accompanying statement of net assets available for benefits at market value, which is the valuation of the security or interest in an equity fund at year-end as determined by the quoted market price.

**NET APPRECIATION (DEPRECIATION) ON INVESTMENTS.** Realized gains and losses are determined on a first-in, first-out basis utilizing a revalued cost which is calculated using beginning of the year market values, or purchase price if acquired during the year. Unrealized appreciation (depreciation) of investments is calculated as the market value at the end of the year less the market value at the beginning of the year, or purchase price if acquired during the year.

**BENEFITS PAYABLE.** As of December 31, 1994, net assets available for benefits included benefits of \$41,410 due to participants who have withdrawn from participation in the Plan.

CONSOLIDATED STORES CORPORATION SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
(Continued)

TRUST AGREEMENT

-----

Under a trust agreement, State Street Bank and Trust Company is responsible for investing the participants' contributions in the funds designated by each participant. In addition, the trustee processes and distributes all distributions from the Plan based on information provided by the Company. Administrative fees due under the trust agreement are paid by the Company.

INVESTMENT PROGRAMS

-----

During the years ended December 31, 1994 and 1993, participants could direct their contributions to different funds of the Plan as described below:

MERRILL LYNCH RETIREMENT PRESERVATION TRUST. The Merrill Lynch Preservation Trust (the "RP Trust") is a collective trust fund that invests primarily in Investment Contracts (GICs) and United States Government and United States Government Agency securities. The RP Trust invests a lesser portion of the portfolio in high quality, money market instruments. The RP Trusts primary objective is to achieve high current income consistent with preservation of capital and liquidity. Dividends are declared and invested daily.

Mutual Funds

-----

MERRILL LYNCH BASIC VALUE FUND, INC. The Merrill Lynch Basic Value Fund, Inc. (The "BV Fund") is a diversified, open-end, investment company seeking capital appreciation and, secondarily, income by investing in securities, primarily equities, that management of the BV Fund believes are undervalued and therefore represent basic investment value. The BV Fund seeks special opportunities in securities that are selling at a discount either from book values or historical price-earnings ratios, or seem capable of recoving from temporarily out of favor conditions. Particular emphasis is placed on securities which provide an above average dividend return and sell at below average price-earnings ratio.

MERRILL LYNCH CAPITAL FUND, INC. The Merrill Lynch Capital Fund, Inc. (the "Capital Fund") seeks to achieve the highest total investment return consistent with prudent risk through a fully managed investment policy utilizing equity, debt and convertible securities. This permits management of the Capital Fund to vary investment policy based on evaluation of changes in economic and market trends. Total investment return is the aggregate of income and capital value changes. Consistent with this policy, the Capital Fund's portfolio may, at any given time, be invested substantially in equity securities, corporate bonds or money market securities. It is the expectation of the Capital Fund's management that, over a longer period, a major portion of the Capital Fund's portfolio will consist of equity securities of larger market capitalization, quality companies.

CONSOLIDATED STORES CORPORATION SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
(Continued)

INVESTMENT PROGRAMS -- CONTINUED

Mutual Funds -- Continued

MERRILL LYNCH GLOBAL ALLOCATION FUND, INC. The Merrill Lynch Global Allocation Fund, Inc. ("Global Fund") is a non-diversified mutual fund seeking high total investment return, consistent with prudent risk, through a fully-managed investment policy utilizing United States and foreign equity, debt, and money market instruments, the combination of which will be varied from time to time both with respect to types of securities and markets in response to changing market and economic trends. Total investment return is the aggregate of capital value changes and income. The Global Fund may employ a variety of instruments and techniques to enhance income and to hedge against market and currency risk.

Company Stock Fund

CONSOLIDATED STORES CORPORATION STOCK FUND. Contributions are invested in Common Shares of Consolidated Stores Corporation. All employer matching contributions are made to this fund.

TAX STATUS

The Plan and its Trust qualify for special tax treatment under Sections 401(a), 401(k), and 501(a) of the Internal Revenue Code of 1986, as amended. Qualification under these sections means the Plan is exempt from Federal income tax. Accordingly, no provision for Federal income taxes has been made in the accompanying financial statements.
